

Important Information Regarding Your UnitedHealthcare Insurance

Dear Valued Patient,

At Arizona Heart and Vascular Clinic, our patients and their families are at the center of everything we do.

We want to inform you that we are currently in negotiations with **UnitedHealthcare** regarding our continued participation in their insurance network. Our goal is to reach an agreement that will allow us to continue providing care to our UnitedHealthcare patients without interruption.

We understand that changes involving insurance coverage can be concerning. Please know that we are working diligently to reach a mutually beneficial agreement and will keep our patients informed as more information becomes available.

For your convenience, we have attached a current list of the insurance plans that **Arizona Heart and Vascular Clinic accepts**. We encourage you to review the list and contact our office if you have questions regarding your insurance coverage.

We sincerely thank you for choosing Arizona Heart and Vascular Clinic and for giving us the privilege of caring for you and your family. Your trust means a great deal to our physicians and entire team.

With gratitude,

Colleen Sharifi
